Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I have made several calls to Leuschner to try and find out what he has planned for The Eagles and Stars June 7th and 14th. His answers are very vague. I thought you might give me some definite information.

The time is drawing near and we should at least have the parks engaged by this time. I can't be very enthusiastic about Norfolk after last Sunday. We can't pay these salaries on gates like that.

Will be looking to hear from you.

Very truly yours,
